

WORKSHOP: Snow and nival processes
Interdisciplinary Polar Studies – 2nd year

Murowaniec Mountain Hut & Nival Research Station in the Hala Gąsienicowa (Institute of Meteorology and Water Management), the Tatra Mountains
6-9 March 2017

Accommodation: Murowaniec Mountain Hut, Check in: 6 March 2017 from 1.00 PM until 3.15 PM,
Check out: 9 March 2017 from 9.00 AM

Travel: individual.

Obligatory equipment: field clothes, notebook, pencil, eraser, ruler etc.

Program:

6 March 2017 – Monday

15.20: Organizational meeting (Murowaniec Dining Room - Bogdan Gądek, Mariusz Grabiec)

15.30: Dinner

17.00 – 19.15: **Wolfgang Schöner** (*University of Graz*) – “Snow – an introduction”

19.00: Supper

7 March 2017 – Tuesday

8.00: Breakfast

9.00 – 11.00: **Ewa Łupikasza** (*Uniwersytet Śląski*) – “Interactions between atmospheric processes and snow cover”

11.00 – 13.15: **Jakub Zarsky** (*Charles University in Prague*) – “Snow pack as aquatic microbial habitat? Post-depositional processes from microbial ecologist's point of view”

13.15 – 15.00: **Mariusz Grabiec** (*Uniwersytet Śląski*) – “Snow cover – physical processes, parametrization and modeling”

15.00: Dinner

16.00 – 18.15: **Wolfgang Schöner** (*University of Graz*) – “Snow under climate change”

19.00: Supper

8 March 2017 – Wednesday

8.00: Breakfast

9.00 – 14.15: **Tomasz Nodzyński** (*Institute of Meteorology and Water Management*) - Field session I

15.00: Dinner

17.00 – 20.00: **Tomasz Nodzyński** (*Institute of Meteorology and Water Management*) - Field session II

19.00: Supper

9 March 2017 – Thursday

8.00: Breakfast
